10 Things I Hate About You

As a class we have learned about the use of archetypes in literature, film, music, and other media. We will view the film *10 Things I Hate About You*, an adaptation of the play *Taming of the Shrew* by William Shakespeare. Students must identify two specific archetypes used in the film and write one paragraph for each archetype, describing how it is used to develop the theme or plot of the story. Students should use their archetype notes to help them develop strong paragraphs describing the

use of archetypes. Use specific examples from the film. Write on the back if needed.
